

## TICEL BIO PARK LIMITED

Proceedings/TICEL/BTCIF/2018 /01.

Dated: 10.09.2018

Sub: TICEL – BTCIF –Equipment usage charges - Order issued – Reg.

Ref: 1. TICEL Proceedings/TICEL/BTCIF/2014/01 dated 27.11.2014  
2. TICEL Proceedings/TICEL/BTCIF/2014/05 dated 09.10.2015

\*\*\*\*\*

1. TICEL has established Biotechnology Core Instrumentation Facility (BTCIF) jointly with Department of Biotechnology, Government of India in module no. 101 to 105 - 21,412 sq.ft. at first floor of TICEL-II for providing analytical / technical support to Companies / Scientists / Entrepreneurs. In continuation with the proceedings indicated above, the usage charges for additional Equipment are given below.

S.No.	Name of the Equipment	Usage charges (Rs./Day)
1	Mini Horizontal Gel Electrophoresis Unit	100
2	Mini Vertical Gel Electrophoresis Unit	100
3	Maxi Vertical Gel Electrophoresis Unit	350
4	Maxi Horizontal Gel Electrophoresis Unit	100
5	Semidry Transfer Unit	100
6	Gel Documentation System Basic	200
7	First Dimension Electrophoresis Unit	350
8	Second Dimension Electrophoresis Unit	450
9	Gel Documentation System Advance	960
10	Large Volume Centrifuge	814
11	Medium Volume Centrifuge	407
12	Low Volume Centrifuge	407
13	Pilot Scale TFF System	933
14	Lab Scale TFF System	310
15	Horizontal Autoclave	1367
16	Vertical Autoclave	158
17	Hot Air Oven	100
18	FPLC	526
19	Cold Room	722

The above rates are excluding GST. GST will be charged at actuals on the above rates.

2. TICEL is offering the above equipment for utilization by Companies / Scientists / Entrepreneurs on non-exclusive basis for their scientific activities / process & product development / sample analysis. The consumables and chemicals / reagents for the operation of the equipment have to be sourced by the clients as per their specifications and requirements.

3. TICEL has already procured and installed the equipment at BTCIF as per the list available in the proceedings dated 27.11.2014 and 09.10.2015. Clients may use this equipment for their Scientific activities / Sample Analysis / Protocol Development. Clients may reach Dr. I.Anderson Ranjit Kumar, Deputy Vice President (Scientific), TICEL for allotment and providing the equipment for the Scientific activities.
